GRATZ CLOTHING CO.

"THE HOME OF GOOD CLOTHES."

All in Readiness—Everything is Set
for the most Unusual and Startling
CLOTHING CLEARANCE SALE
That Carthage Has Ever Known in Her History
Nothing Charged at These Prices.

The mere announcement of this sale in the newspapers without the publication of a single item would be amply sufficient to stir the most languid citizen to immediate action. Those who remember the clearance sale we conducted will appreciate the full meaning of this startling annual affair. This time we promise even greater bargains than last year because the garment workers' strike in New York caused all our spring shipments of merchandise to be late, and what we should have sold is still here. You know what that means. Means that former prices, profits and selling prices are entirely forgotten. Means values such as you haven't seen in years. Means unquestionably the most unusual opportunity of the whole year to get high class merchandise at cut prices. Here's the whole story in a nut shell.

Entire Stock of High-Class Clothing Offered at
From 50c to 75c on the Dollar!

Now Get Busy! It will pay you to take half a day off to attend this sale. You have our word for it, you've never seen such values as this sale has produced.
